smittyyyy: 20 minutes animation would be thousands, easily.
smittyyyy: A 20 minute hand-drawn animation would take daily work for months straight.
oyasumipunpun09: :ASokBud:
jake_brake:
smittyyyy: I challenge y’all to go try to hand animate.
smittyyyy: I promise it’s way harder than it seems.
oyasumipunpun09: How are artists poor
oyasumipunpun09: Lmao
sheebadreams: No thanks lol
smittyyyy: There’s a reason movies have such MASSIVE animation budgets lol.
sheebadreams: Tried once, died
jake_brake: So your telling me that a 20 minute fight between like for example spider man vs Bat
smittyyyy: Absolutely.
jake_brake: https://tenor.com/view/walter-white-walter-falling-breaking-bad-dm4uz3-gif-1807854
jake_brake: I pitty you animators
smittyyyy: You have to sketch each frame, color/shade, and then make minuscule changes for E
smittyyyy: And make sure lighting, background, angle, anatomy, etc. are all perfectly done.

jake_brake: you prolly have to draw your food on a plate to eat it lmao
smittyyyy: 20 minutes of hand animation is such a complex process and takes hours of daily worl
oyasumipunpun09: https://tenor.com/view/art-is-hard-art-is-difficult-art-troubles-gif-12136019
smittyyyy: I don’t even mean it in a snarky way — try making a a hand-animation!
smittyyyy: You’ll quickly see just how hard it is.
smittyyyy: :Scrum:
oyasumipunpun09: I don’t wanna
jake_brake: Omg I can imagine the time process as a solo animator making a fight for 20 minutes
jake_brake: Fuckin years
smittyyyy: I used to like to do simple sketchy animations and for 3ish seconds of smooth animatio
smittyyyy: Insanity lmao.
oyasumipunpun09: Zamn
oyasumipunpun09: That is
smittyyyy: Yeah you’re totally right.
oyasumipunpun09: That’s why I’m not even gonna try
smittyyyy: For a solo artist, it would take a LONG time.
puddlepuppy_: I think $400 for the animation I got was well worth the money
smittyyyy: At the end of the day, a decoration is a decoration. People spend $$ on home decor, fu
smittyyyy: All of which can run into the hundreds or even thousands.
smittyyyy: It’s just whether or not it’s worth it.
puddlepuppy_: Also almost all the art I buy is about 200+
smittyyyy: For *me* it’s not worth it.
puddlepuppy_: Art is expensive
smittyyyy: I don’t have the money for that anyways.
smittyyyy: But for some it is.
jake_brake: That is crazy man. Like goddamn.
puddlepuppy_: Art is very expensive
oyasumipunpun09: You have lots of mons then
puddlepuppy_: Eh
puddlepuppy_: Not really
smittyyyy: You just need to save up over time ■■■■
jake_brake: https://tenor.com/view/how-mad-can-i-be-playing-guitar-flying-money-money-musicia
smittyyyy: Especially when you don’t spend on anything else
jake_brake: Pretty sure this is every furry
oyasumipunpun09: It’s true
smittyyyy: That’s your only purchase that you save for working full-time
jake_brake: I can hear this gif rn
smittyyyy: But yes, many furries are rich. Unfortunately, not us lol.
oyasumipunpun09: hmm
oyasumipunpun09: Sad
oyasumipunpun09: Get rich
smittyyyy: I can’t even imagine all the art Hydro would buy
puddlepuppy_: :3
smittyyyy: Maybe it’s for the best we aren’t ■
jake_brake: Yeah you heard the man
jake_brake: Get rich

smittyyyy: :Snorffing:
puddlepuppy_: Most of my money for fun goes to art
puddlepuppy_: Because I enjoy art
oyasumipunpun09: Good
smittyyyy: Yeah it seems like a lot until you realize all the “spending/hobby” money Hydro has on
smittyyyy: So when you work full-time and save up, you get to have cool animations ig.
smittyyyy: :PopRacc:
puddlepuppy_: I am saving for a fursuit now
smittyyyy: Personally, not really worth the money to me but that’s just me.
smittyyyy: Whatever makes everyone happy.
puddlepuppy_: And if you guys think animation is expensive
jake_brake: https://tenor.com/view/hands-rubbing-gif-22253060
puddlepuppy_: Fursuits are like 5k
jake_brake: That’s neat
smittyyyy: Tbh suits are probably less expensive than some animation.
oyasumipunpun09: Jesus
jake_brake: I forgot how expensive they are though ■
smittyyyy: Depending on what it is.
smittyyyy: The average is more like $2k
oyasumipunpun09: That’s stilll
oyasumipunpun09: A lot
jake_brake: Wow you furries live the life of money
smittyyyy: Higher end suits are $5-10k
smittyyyy: Lower end suits are $800-1,000
oyasumipunpun09: More the opposite
oyasumipunpun09: Lol
smittyyyy: It’s gonna take years of saving ■
jake_brake: https://tenor.com/view/what-shocked-surprised-huh-woah-gif-16868163
smittyyyy: :Lick:
jake_brake: That is still very damn expensive
smittyyyy: Oh yeah, for sure.
smittyyyy: Like I said… *years* of saving.
smittyyyy: :CatBlink:
jake_brake: All that gas money :BunkaRage:
oyasumipunpun09: Or like
oyasumipunpun09: Food
oyasumipunpun09: Everything
smittyyyy: Well
smittyyyy: It’s spending money
smittyyyy: 98% of our money goes to bills.
oyasumipunpun09: For a very expensive hobby
smittyyyy: Yeah it’s a pricy hobby. I guess, though, most are.
oyasumipunpun09: Yea
smittyyyy: At least most I’ve enjoyed.
smittyyyy: But even when you’re poor, you deserve to save aside money over time to have cool t
oyasumipunpun09: :6057mhmyes:

smittyyyy: As long as you keep your bills paid you still deserve to enjoy life. Only got one after all
smittyyyy: (I think)
smittyyyy: :CatCrazy:
sheebadreams: True
jake_brake: Very true
oyasumipunpun09: Get a cat fursuit
oyasumipunpun09: You'll get 9 lives
sheebadreams: Maybe this year I can finally save up to get a fursuit head
smittyyyy: I don't really ever spend my money except recently I bought this:
smittyyyy:
oyasumipunpun09: Cool
smittyyyy: They did a great job and I love the background.
oyasumipunpun09: Mhm
jake_brake: When you furries get a fursuit would you wear it like it's your own skin? I can imagine
smittyyyy: And that's the most surprising part — nope. Most only wear it a few times per year.
smittyyyy: :Scrum:
jake_brake: :GreyJak:
smittyyyy: Usually just for conventions and stuff.
oyasumipunpun09: Lol
smittyyyy: Suits are very hot and hard to move around in tbh.
smittyyyy: And there's not a ton of places for public fursuiting.
jake_brake: I would love to go to a convention when I get my mask and jumpsuit :Scrum:
oyasumipunpun09: Why most people just have heads
smittyyyy: Do it!
oyasumipunpun09: It seems
sheebadreams: I probably would here, this house is fucking cold as it is
smittyyyy: I don't have a suit and I pull up to cons nearby.
jake_brake: Bro I can imagine■■■ your like a baking cake under that suit
smittyyyy: They're fun.
sheebadreams: Oooo maybe I could go to a con next year o.o
smittyyyy: Go to AC.
smittyyyy: You live closer now.
smittyyyy: We will be there again.
smittyyyy: :TrashRun: :TrashRun:
sheebadreams: When does that start?
jake_brake: You know those wennier machines you out your hotdogs on and slowly spin them to
smittyyyy: Uhhh
smittyyyy: Late June?
sheebadreams: Because I can ask if I can go this year
smittyyyy: Early July
smittyyyy: Like June 28th…
sheebadreams: I mean next year
sheebadreams: Ooo
smittyyyy: Yeah!
oyasumipunpun09: Lmao I live 20 minutes from there
oyasumipunpun09: Hmm

smittyyyy: We’re within driving distance.
smittyyyy: So we take a day trip.
smittyyyy: :PopRacc:
sheebadreams: I would love to go, and maybe I can join yall with my finished dino mask
jake_brake: There is sadly no cons in Labrador I don’t think:BunkaPog: :BunkaPog:

smittyyyy: @Sheebieebbyleebe
smittyyyy: It’s July 4th this time
oyasumipunpun09: Oooo
oyasumipunpun09: Cool
smittyyyy: Yep, we love to go.
jake_brake: Man you guys are lucky af for living close to conventions
jake_brake: It’s all old, fat and depressed raisins where I live
oyasumipunpun09: I saw a decent amount of furries when I went to an ac convention a few mont
oyasumipunpun09: It was interesting
sheebadreams: OOOO OKAY
smittyyyy: We were there lol.
smittyyyy: :Scrum:
oyasumipunpun09: Oh shit
smittyyyy: We walk around with our name tags.
oyasumipunpun09: Were you cosplaying
smittyyyy: Nah
smittyyyy: Just showed up as our human selves.
oyasumipunpun09: Me and my friend might of passed you lol
oyasumipunpun09: We were there like the whole time
jake_brake: Seriously. Like almost every old person has a weed addiction in there own homes. M
smittyyyy: It’s so fun regardless of if you dress up tbh.
oyasumipunpun09: She talked to everyone
jake_brake: Also I find it funny to go to a furry convention wearing a competent out of pocket cos
oyasumipunpun09: I just wore an omori shirt lol
oyasumipunpun09: A train
